2. **General.** The Comdt with the permission of the Secretary, started the meeting by welcoming the parent representatives. He stated that the parent representatives are the bridge between the parents and the school management. They not only provide useful ideas but also convey the parental aspirations which help the school authorities to initiate steps for betterment of the cadets.

3. **Academic Results.** The u/m issues were discussed :-

(a) **Secondary & Higher Secondary Board Results: 2018 - 19.** The Comdt expressed satisfaction on the SSC and HSSC results of 2018-19. He said that the school once again recorded 100% success rate with many students achieving distinction especially in Class X.

(b) **Unit Test - I.** The analysis of results of Unit Test – I shows that there has been a marginal improvement in Class V to VIII. However, the higher classes continue to be below par. Continuous efforts are taken by the academic staff to ensure that the cadets do well in academics but reciprocal efforts from the cadets is not forthcoming. He requested the parents to motivate their wards to work hard.

(c) **Tuition Classes.** School is outsouring tuitions for Class X, XI & XII. For Class XI, XII preparations for competitive exams are being conducted while Class X cadets are being prepared to excel in their SSC exams. Even here, the teachers of Arvind Tutorials are complaining that the students are not putting adequate efforts. The Comdt once again requested the parents to impress upon their wards to step-up their efforts.

(d) **NDA Classes.** Regular extra classes for Class XI & XII are being conducted by the school staff. An additional teacher has been appointed to prepare the cadets for the maths paper. Regular mock tests are also being conducted. However, many cadets are not taking adequate interest. If this trend continues, those cadets who have continued to fail in mock test, will be removed from this programme.

4. **Discipline.** As compared to last year, the discipline has been better. However, major concern is of absconding cases of Class VI students. In each of these cases, the cadets had money with them. This is despite our repeated requests to parents from refraining to give money to their wards. The Comdt requested the representatives to spread this message to maximum number of parents.

5. **Outside Competition.** Cadets are also prepared by academic staff for outside competitions. The Comdt informed that the cadets shall be participating in u/m competitions:-

(a) <u>Participation in Olympiad</u>. The school is participating in National Science Olympiad (NSO), International English Olympiad (IEO) and International Mathematics Olympiad (IMO). A total of 55 cadets have been selected for these Olympiads from different classes. Fees of the same will be borne by the school.

(b) <u>Scholarship Exam</u>. For the session 2019-20, 25 cadets from Class VIII and 22 cadets from Class V will appear for the Scholarship Exam.

Issue Raised by Representatives

8. **Supervision of Self Study Period.** Parent representative from Class V B showed concern about self study period. Comdt replied that self study period is supervised by Head Master himself. A team of five (05) residential teachers and military instructor supervise the study period every day.

9. **Preparation for Navoday Vdiayalaya Exam.** Parent representative from Class V B wanted to know if the school will be preparing the students for Navoday Vidyalaya exams. The Comdt replied that this will not be possible for the school to undertake.

10. **No Response on School Telephone.** Parent representative from Class VI B expressed concern that telephones are not being answered in the school. The Comdt informed that a 4 Mbps fibre optic line has been laid from BSNL junction box located near village Bokhara. On this line, we can operate 30 telephone numbers. However, due metro and cement road projects work the BSNL line connected to this junction box gets frequently damaged. Thus, while the parents hear the ringing tone, we do not receive the call at our EPBX board. The school is thus helpless in correcting this situation.

11. Addressing the parents by Mr Kumar Kale, Secretary, CHMES, Nagpur stated that he deeply believes in interactions and free flow of ideas between all stakeholders; viz the parents, academic staff and management. The combined effort of all of us results in improvement in school functioning. He emphasizes on the parental motivation of their wards for studies. He said that during the vacations, the parents must ensure that their wards spend atleast two hours in self study.

12. There being no other points, the Commandant with permission of the chair declared the meeting as closed.
